

Directions*

	I-95 North	Take Interstate 95 North into Maine.
	Exit 19 Wells/Sanford	Get off at Exit 19 (Routes 9 & 109, Wells/Sanford)
	Right onto Sanford Rd.	At the end of the exit, take a right onto Sanford Rd.
	9.5 miles, Right onto Route 4	At the first major intersection after you pass the airport (9.5 miles), take a right onto Route 4 (Alfred Rd.)
	12.3 miles, Left onto Route 5	Approximately 12.3 miles up, take a left onto Route 5 (the intersection has a small plaza on the left that contains a Dunkin' Donuts)
	10 Miles	Just over ten miles up this road is Main St. Limerick. Route 11 will come in from the left side, and then there will be a few shops.
	Right onto Washington St.	Just past the shops, take a right onto Washington St. (It's the bigger road that goes down a hill.)
	Left onto Emery Corner Rd.	At the bottom of the hill, the lake will be on the left. When the road turns right (about where the water is closest to the street), take a left onto Emery Corner Rd.
	Left onto Watson Hill Road	Just around the first bend, there will be a road on the left with a stump that has a rose painted on it. Take that left. (Watson Hill Rd.)
	Left onto dirt road	About a quarter mile up, a dirt road will fork to the left. Take that fork.
	Left onto dirt road	Immediately, take the left turn that will be there and stay all the way to the left.
	End of the road on the left.	Follow that road until it ends. Stay to the left. It's the red cabin with all the cars in front of it.

* Yes, it was a different route last year.
